

Newsletter – 30th January

This week in school....

As you are now probably all aware, after a rigorous interview process on Monday of this week, the Governors made the decision to offer the headship role to Mrs Rook. Staff and children are 'over the moon' at the decision, with children erupting into spontaneous applause when it was announced in assembly on Tuesday. We are all excited at the prospect of someone who knows the school inside out, understands its many strengths and cares so deeply about moving it forward in a progressive and positive way. Mrs Rook would like to send out a heartfelt thank you for all of the wonderful words of support from our school community, she is very much looking forward to continuing to build on the values and vision of our beloved school.

Safer Internet Day is on Tuesday 10th February, as part of this we have decided to invite parents into school on the morning to join in with a 'safer internet' classroom learning session. We will be sending more information out soon so please keep your eyes peeled.

We are pleased to announce that Class 1 will be restarting Forest School after half term. This will be taking place every Tuesday at 1pm as part of their enrichment and learning. It is a fabulous opportunity to visit the Millichope Estate Forest School site, where all children can flourish, have hands on experience in a wonderful environment that allows them to build confidence and explore challenge and risk at their own pace. Children who have not consented to the local trips or visits will be required to fill out an additional consent form in order to take part in these sessions.

Nursery have been working very hard this week learning all about SPACE, they have even made a life size model of an astronaut—fantastic job guys, well done!

Dates for your Diary

Star of the Week
